

About Farrer's

John Farrer & Co (Kendal) Ltd or Farrer's is amongst the UK's oldest coffee roasters. In 1819 they began supplying tea and coffee on Stricklandgate in Kendal, where they blended tea and roasted coffee in the shop. Many of their recipes, including our coffee and Lakeland Special tea, date back to bygone days – they'd probably be familiar to John himself. These secret recipes have been passed down through the generations. As they grew they moved to a purpose designed Roastery on the outskirts of Kendal – from where they now supply Bay View.
